AMERICAN SOCIETY FOR CELL BIOLOGY

March 29, 1988

Dr. Harmon C. McAllister  
Research Director  
The Council For Tobacco Research-U.S.A., Inc.  
900 Third Avenue  
New York, New York 10022

Dear Dr. McAllister:

I am pleased to acknowledge and to accept with thanks the check from The Council For Tobacco Research-U.S.A., Inc., in the amount of \$2,500.00, in support of the FASEB Summer Research Conference on Receptors which will be held August 7-12, 1988. The Federation and the scientists who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the chairperson(s) of the conference, Dr. Richard Klausner, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in attending any of the FASEB Summer Research Conferences. Enclosed is the program and an application form for the 1988 conference series. There will be eighteen conferences held under our auspices this summer --ten in Saxtons River, Vermont and eight at our second site in Copper Mountain, Colorado.

I have enclosed for your interest a copy of the FASEB Public Affairs Newsletter. It is published monthly by our Office of Public Affairs to keep Federation members and other readers abreast of the latest developments in Congress and in Executive Branch agencies that may affect biomedical and biological research.

Please express to the appropriate officials my thanks and appreciation for your generous support of this conference.

Sincerely

Robert W. Krauss, Ph.D.  
Executive Director
